RA Dunn's meeting with coalition of PFAS community advocates: Meghan Cassidy sat in on a meeting with Alex Dunn, Deb Szaro and group of community advocates from various PFAS impacted locations. Andrea Amico, Testing for Pease, was part of the group. Remaining community groups represented state-lead sites. Clark Fries (NH DES) and Paul Locke (MA DEP) participated.

Alex indicated that it was highly likely that Region 1/NH would be selected for a community engagement session following the May PFAS Leadership Summit. There was a commitment to work with the coalition to help plan the session. Further details on timing of the planned community engagement sessions has not yet been provided from HQ.
